Instagram Is Tinkering With the Layout of Its Profiles

Instagram users: If your profile starts looking a little different to you, you’re not seeing things. There’s a reason for it. The Facebook-owned photo- and video-sharing network revealed in a blog post that it is testing different ways to rearrange the icons, buttons and navigation tools on users’ profiles. Instagram said the potential changes being… https://www.adweek.com/digital/instagram-is-tinkering-with-the-layout-of-its-profiles/
