John Carpenter Releases Spooky Score for Horror Streaming Service

John Carpenter has not only directed some of the most terrifying films ever—like 1978’s Halloween and 1982’s The Thing—but he was responsible for composing their creepy soundtracks as well. This fall, he’s at it again. After writing the score to this month’s blockbuster Halloween sequel with his son and godson, Carpenter has composed a new… https://www.adweek.com/tv-video/john-carpenter-releases-spooky-score-for-horror-streaming-service/
