John Kneapler Design

Junior/Advanced Jr Graphic Designer / Freelance
New York New York US

http://www.johnkneaplerdesign.com

We are a classic graphic design firm seeking a freelance junior or advanced junior graphic designer to work onsite. We work with the Adobe Creative Suite and do most jobs in Indesign. Some interactive experience is helpful. If you have production experience of sending a job to print that would be great.

Role Details

We are a nice bunch of people who love to design. For over 35 years we have been producing award-winning work for a wide variety of clients. We are small boutique graphic design firm located in Chelsea, NYC. A great opportunity to work directly on projects and work in a small studio. We are seeking a freelance junior/advanced junior graphic designer to work on site.

Skill/Attributes Required

Knowledge of the Adobe Creative Suite (Illustrator, Photoshop and especially Indesign). Some CSS and some interactive experience would be great. We are looking for somebody with an upbeat personality and a great design sense. You will also be assisting the president with some fine art projects and marketing.
