Join our next Google Hangout!

Our series of Google Hangouts is revving up and we’d love it if you could join us for our next round.

This time, we’ll be chatting with our good friend and WMC Fest alum James Hsu about designing influence and the world of UX.

James is Principal Product Designer at FabFitFun in Los Angeles. He spends a lot of time thinking about zombie apocalypse survival. Past employers include Disney, Live Nation, Ticketmaster.

Find us on Google Hangouts on Wednesday, August 15th at 12pm PST / 3pm PST. For more information, head to our event page.
