Join us for a Designer Hangout with Wesley Hoffman, founder of Treehouse Networkshop

Hey Arsenal Subscribers and friends of the Arsenal,

Every month, we meet on Google Hangouts, along with a special guest, to talk shop and give advice on all things design/entrepreneurship. This month, our special guest is Wesley Hoffman, founder of Treehouse Networkshop. Wesley is a long-time friend of Go Media, a WMC Fest alum, and someone who has an enormous amount of wisdom to impart.

After a few years of working in customer service and sales, across several different industries, Wesley decided to follow his true passion: connecting and motivating people. Wesley can field questions about how the power of connecting with others can truly enhance your business and how to network (even if it's the last thing you want to do.) You won't want to miss it.

The event, usually only open to our Arsenal subscribers, will be opened up to all of you this month. So, take advantage!

It will be taking place on **Wednesday, May 23rd** from **6:30 to 7:30 pm EST**. Here is the link to join.

If you're interested in participating in this Google Hangout, please RSVP here. Can't wait to see you all there!
