Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

First impressions are everything in entrepreneurship, especially now that in-person meetings are happening once again. You may have spent the last year in sweatpants, but now that your professional and social engagements are picking up again, it's time to re-invest in your appearance. If you're a frequent jewelry wearer, that means ensuring your jewelry isn't covered in smudges, scuff marks, and blemishes. The kathy ireland GemSpa has you covered so you'll have your jewelry sparkling just like new.

The world's only jewelry cleaner capable of sanitizing your jewelry right at home, the kathy ireland GemSpa not only ensures your jewelry is free of germs and bacteria, but it will also make it look brand new without having to go to the jewelry store. The GemSpa guarantees jewelry store cleaning results in a unique way: it harnesses the power of your dishwasher.

In just one dishwasher cycle, the GemSpa removes 99.9 percent of harmful bacteria and viruses on your jewelry while giving it a beautiful shine, the company says. The GemSpa is made with surgical-grade stainless steel, encased in heat-resistant high-grade polymer, and no mechanical parts so it's completely safe in the dishwasher, as is your jewelry. It even works in as little as three minutes.

With this deal, you'll also get a one-month supply of Hydrogel which helps to achieve the GemSpa's maximum cleaning potential.

One happy reviewer writes, "I love, love, love this gemspa, so easy to use, the results are fabulous, I will recommend this to anyone who asks about my sparkly jewelry."

Clean and sanitize your jewelry, and make sure they really sparkle—in just minutes. Normally \$69, you can get the kathy ireland GemSpa for 21 percent off at just \$54.99 today.

Prices subject to change.
