Lightroom Magazine

Adobe just released **Lightroom Classic 7.5** and **Lightroom CC 1.5** this morning, and **KelbyOne** have an article by **Rob Sylvan** in the freshly published issue 43 of Lightroom Magazine that covers all the latest updates.

Also in this issue, join **Rick Sammon** as he shares how to squeeze every ounce out of a photography workshop, explore the new black-and-white profiles with **Martin Evening**, see how excited **Serge Ramelli** is about being able to sync his Lightroom Classic presets and profiles with his mobile devices, and so much more!

The magazine is now available for KelbyOne Pro members on the KelbyOne site and on the KelbyOne Mags app.

To get **Lightroom Magazine** and **Photoshop User Magazine**, as well as a whole heap of insider information and expert courses on Photography, Adobe Apps, Business, and a whole lot more, hit the link below to join **KelbyOne**!
