Lush Tropical Logo and Business Card Branding Kit

Access All Areas members have a great collection of assets to download this week, courtesy of Hannah Bacon. The Lush Tropical Branding Kit provides all the elements you need to create a complete brand identity, including illustrations, logos, patterns, colour palettes and business card templates, all with a modern tropical style.

Hannah Bacon shares professionally designed brand templates and resources for Canva and the Adobe suite. Her store features a range of useful templates to help get your design business off the ground, including project proposal, brand guidelines and pricing guide templates you can customise for your own client projects. Hannah's latest release is the GIF Machine, it's a simple and easy to use Photoshop tool that helps you create cool animated GIFs in 60 seconds! Preview all 70+ GIFs here and use the code **SPOON20** for 20% off
