Microsoft is a legacy brand that continues to dominate the office suite market. If you want to be the master of documents, along with slick decks, rapid communication, and smart data presentation, now's the time to invest; for only $39.97 (MSRP $239.99), you can get Microsoft Office Pro 2021 for Windows with a free training bundle of 42 lessons until Oct. 19 at 11:59 p.m. PT.

Not only will you be equipped with the essential software for business, but you'll receive 25 hours of training to learn about shortcuts, newer features, and essential processes they don't always teach in business school.

Microsoft Office Professional includes Word, Excel, PowerPoint, Outlook, OneNote, Publisher, Access, and Teams (Free Version). You'll be able to write, organize data and content, display complex ideas visually, and communicate through email and video. The LearningWhilePracticing training contains 42 lectures that will guide you from beginner to advanced; even if you know these programs inside and out, it never hurts to have a built-in teacher for an XLOOKUP refresher.

If the price has been the barrier for not obtaining the full

suite, this is a deal you need to take advantage of before it expires on Oct. 19 at 11:59 p.m. PT. Once you complete your purchase, you can download the software onto a Windows computer, and it’s yours for a lifetime.

To achieve peak efficiency, the key is obtaining all the essential business programs from one publisher in the same year, and mastering them with lessons. When you’ve got the goods and know how to use ’em, you’ll be unstoppable.
