

Mastercard, Waze Team Up to Introduce Cashless Payments for East European Farmers

As the pandemic pushes the global economy closer to a cashless society, Mastercard has teamed up with Waze to help Eastern European farmers sell their produce—and get paid for it—more efficiently.

Don't miss **The Business of Marketing**, a new series featuring leading c-suite executives sharing insights on the importance of leveraging the intersectionality of marketing, finance, technology, HR and the boardroom to drive business growth. **Tune in.**
