# Matte Photo Effect Photoshop Actions for Premium Members

Access All Areas members have a great collection of Photoshop Actions to download this week, courtesy of Shapeshift. Instantly give your photographs the popular ‘matte’ look with this collection of ready-made Actions for Adobe Photoshop. Each of the 15 Actions applies a different effect, including light, moderate and heavy matte looks, along with a selection of creative options with various colour toning.

Shapeshift provide quality design resources for graphic designers and illustrators. You’ll find a range of tools for creating popular art styles and effects, helping you work faster, smarter and more efficiently! Check out the unique Vintage Engraving Lines texture pack, which provides you with a range of detailed linework patterns to reproduce one of the popular aesthetics of the vintage design style.

15 MATTE EFFECT ACTIONS INCLUDED

Included in this Photoshop Actions set are 15 photo effects that give your images a matte appearance inspired by classic photo prints on matte (as opposed to glossy) paper stock. Choose from a range of effects that process your image by varying amounts, some with interesting colour toning options to enhance your photographs with nostalgic vintage effects.
