Meredith Announces Structural Changes, Lays Off 200 Employees

About 200 employees were laid off from Meredith today from all areas of the company after executives announced a series of decisions—including that it would merge two magazines. EatingWell and Cooking Light will, as the company phrases it, combine. The first new issue of EatingWell will launch for the Jan./Feb. 2019 issue and will be… https://www.adweek.com/digital/meredith-announces-changes-lays-off-200-employees/
