Microsoft 365 Taps TikTok Effect House for Community Effect

> Announcing Social Media Week 2022. Join Adweek and a coast-to-coast network of brand marketers, May 9-11, to discuss new opportunities in social media like creator collaboration, converging experiences and more. Register for #SMW now.

Microsoft 365 became the first brand to introduce a community effect organically on TikTok, and it was built by the augmented reality creative department at VMLY&R.
