Moderno Sans Font for Access All Areas Members

Access All Areas members have a powerful new premium font to download this week, courtesy of The Free Design Club. Moderno Sans is a bold, chunky italic that oozes strength and fierceness. It comes in TTF and OTF formats, along with various Web Font variations making it a versatile typeface for headings, titles and logo designs.

The Free Design Club.com is a brand new website dedicated to offering a wide range of graphic design related freebies every single week. Whether it’s free fonts for commercial use or some beautiful illustrations for a personal project, The Free Design Club aim to offer the highest quality design goods available, all for FREE.

INTRODUCING

MODERNO

SANS FONT

NEVER STOP THE

ADVENTURE

NEVER GIVE UP
YOUR DAYDREAM

Moderno Sans is a premium font with a tall, bold, italic, condensed style, making it the ideal font choice for eye-catching headings and stand-out designs. Choose between the OTF & TTF formats for regular use in your creative software, or EOT, SVG, WOFF & WOFF2 files that allow Moderno to be used as a Web Font in your website designs.
