Netflix’s next Neil Gaiman adaptation is Dead Boy Detectives

Do you have a pesky ghost haunting you? Has a demon stolen your core memories? You may want to ring the Dead Boy Detectives. Meet Edwin Payne (George Rexstrew) and Charles Rowland (Jayden Revri), “the brains” and “the brawn” behind the Dead Boy Detectives agency. Teenagers born decades apart who find each other only in death, Edwin and Charles are best friends and ghosts… who solve mysteries. They will do anything to stick together: including escaping evil witches, Hell, and Death herself. With the help of a clairvoyant named Crystal (Kassius Nelson) and her friend Niko (Yuyu Kitamura), they are able to crack some of the mortal realm’s most mystifying paranormal cases.
