# Northwest Zinefest 2019

28 July 2019
Manchester

Don’t miss the chance to see and pick up some of the UK’s best self-published zines, as well as amazing art and activists, at this year’s Northwest Zinefest.

Organised by the team behind Salford Zine Library, Northwest Zinefest (NWZF) brings together zine makers, artists and activists for a day of workshops, talks and stalls.

The fair seeks to highlight the diverse and inspiring self-published work being made today as well as celebrate the rich history of radical print here in the North West. A great introduction to the world of zines and self-publishing, and a welcome reminder of the power in doing it yourself!

*Sunday 28 July, 11:00am–4:00pm (11:00am–12:00pm is accessibility hour). People’s History Museum, Left Bank, Spinningfields, Manchester M3 3ER.*
