Nvidia is reportedly preparing to fire Jensen Huang

Nvidia’s board is preparing to dismiss CEO Jensen Huang following a report from the *New York Times* about a second alleged extramarital affair, just days after he admitted to a separate affair with a woman alleged to be a Chinese spy, *The Wall Street Journal* reports. The second alleged affair was with an executive who reports to him, Nvidia’s vice president of health care, Kimberly Powell, according to the *Times*.

The Nvidia board will meet as soon as today to decide on Huang’s future at the company, according to the *Journal*. Nvidia did not immediately respond to a request for comment from *The Verge*.

Huang and Powell, who are both marri …
