(NY) 99U Conference

The Adobe 99U conference inspires creatives to bring their ideas to life. For 3 days there will be talks with industry leaders, engaging workshops, and networking opportunities with other creatives. You should attend if you want to put an idea into action, get inspiration, connect with potential collaborators, or understand the trends affecting the future of creativity.

See the agenda

The conference begins on Wednesday 9 May – Friday 11 May 2018.
