(NY) Future Proofing Your Design Career

The role of the designer has been evolving with the rise of technology in our daily lives. Find out about how you can position yourself to take advantage of the trends in the tech industry. Hear from New York designers on how they got started, what skills are needed to succeed, and where the design field is heading in the next 5 years.

Register for the talk

The event takes place on Thursday 1 March 2018 starting at 6:30 pm at the Museum of Arts and Design, 2 Columbus Circle.
