(NY) TypeThursday

Crit Club + Drinks + Fun

TypeThursday is a monthly meet-up in New York City for people who love letterforms. The events feature networking opportunities and a critique of works in progress led by editorial designer Kara Gordon of Point Five.

Attendees are not required to show work but are encouraged to participate in the critiques that would benefit the presenters and the community. For those participating in the review, submit your work-in-progress that is typographic.
