OUTSIDE

Mid Weight Graphic Designer

Contract
Shoreditch, London United Kingdom
https://hellooutside.com/

Mid Weight Graphic Designer required for Shoreditch based creative agency, OUTSIDE.

Role Details

OUTSIDE are a multi-disciplinary agency based in London – we place originality and creativity at the heart of everything we produce, from design, event production and hand-painted murals, all the way through to specialised consultancy. Our DNA is made up of artists, designers, makers, painters, production experts and and visionaries – we thrive on challenges and live to push the limits of expectation. Some of our current clients include Blue Flame, Ciroc, adidas and Fitbit.

We are looking for a young, dynamic graphic designer to join our team full time, on a temporary basis to begin with, with the possibility to extend. The ideal candidate will be not only technically skilled but creatively minded, driven by cultural trends and in possession of a strong aesthetic sense.

Skill/Attributes Required

– Impeccable Illustrator, Photoshop and InDesign skills.
– 3D software skills a bonus.
– A meticulous eye for detail and a high level of execution.
– Highly organised.
– Ability to consistently come up with original, creative ideas.

– Able to deliver projects from idea to execution across a breadth of media.
– Ability to work to brand aesthetic.
– Good internal and client communication skills

Minimum 3 years on-the-job graphic design experience

Please send a portfolio or link to your website with examples of work.

Salary dependant on experience.
