Percept Brand Design

Junior Graphic Designer / Full Time / Paid
Cronulla NSW AU

http://percept.com.au

• Be part of a great creative team in a mid-sized, friendly studio
• Work with high profile clients on a wide variety of projects
• Enjoy the benefits of working in the beachside location of Cronulla

Percept is a mid-sized creative agency in southern Sydney. We have a dynamic studio environment with a diverse scope

Role Details

Working within Percept’s well-respected design team, under the guidance of an outstanding Creative Director, you will be actively involved in everything right from the start. You will learn on the go as we like our designers to be responsible for carrying out all aspects of their projects, from ideation and concept, through the design process, including finished artwork.

This is a great opportunity that would suit a talented Designer, based in Sydney’s southern suburbs, who is driven to build their career in an agency with ambitions for the future.

We’re looking for a person with a professional attitude that’s keen to work productively to answer project briefs, producing great work that is successful in relation to the client’s business objectives.

Scope of work will be diverse, with projects large and small for companies of all shapes and sizes across a wide variety of industries, so adaptability and versatility will be important.

A responsible, pro-active person with good time management skills will be well suited to the position. You'll be able to work independently to consistently meet deadlines and juggle between various active projects in any given week.

Good communication skills are also required as there will be team collaboration and direct client contact involved in this exciting role.

Salary is negotiable.

Skill/Attributes Required

• Graphic Design diploma or a degree in Visual Communication

• A passion for industry-leading design

• Proficiency in Adobe Creative Cloud applications

• Creative thinking

• Versatility of style

• Problem-solving skills and attention to detail

• An aptitude for multi-tasking, time management and working in a high-paced environment

(Industry experience in a reputable studio/agency an advantage)
