Graphic Designer needed for an inhouse 6-month contract, part-time, 1-2 days a week

Role Details

We are looking for a graphic designer to work 1-2 days a week starting Wednesday 31 July. You will be working on-site at our Keysborough office in Melbourne, Australia for 6 months while one of our current designers (who will continue to work 3-4 days a week with us) does some freelance work on a private project. You must be a fast learner and an excellent communicator, work confidently on a Mac, be a team player, have experience with packaging design, presentation design, photography, website maintenance is a plus and be familiar with Microsoft Office for Mac. Proficiency in Adobe Illustrator, Photoshop and Indesign are must-haves! You will be working inhouse in our small marketing and design team with 1-2 others. Pinnacle Hardware is a leading supplier in the hardware industry and is an exclusive supplier to Bunnings Warehouses in Australia New Zealand. You will be employed as a casual and paid an agreed-upon hourly rate. Our office is a comfortable, relatively new space, and you'll be working with people who are passionate and love what they do. If you think this position might suit you, get in contact. Applications will close Friday 26 July. Please provide a cover letter, detailed resume, and Portfolio. Applicants must have the right to live and work in this location to apply for this job. Applications submitted without a portfolio will not be considered.

Skill/Attributes Required

You must be a fast learner and an excellent communicator, work confidently on a Mac, be a team player, have experience with packaging design, presentation design, photography, website maintenance is a plus and be familiar with Microsoft Office for Mac. Proficiency in Adobe Illustrator, Photoshop and Indesign are must-haves! Some experience in sales and marketing collateral design is also a plus.
