PRM Creative

Brand Graphic Designer / Contract
NYC New York US

http://www.prmcreative.com

Looking for a talented Graphic Designer, passionate about Branding – for in-house Design team of our Tech client, located in Meatpacking, delivering services to Brand Experiential Team.

Role Details

Our agency has been approached by our main client to build an in-house (agency embed) Creative Services Team to support their BRAND EXPERIENCE TEAM.

Key deliverables of the team:
-Creating new brand guidelines for the client's global flagship brand experiential center and its adaptations for local markets
– Developing and streamlining all brand assets for digital and print external communications (ex: all consumer-facing collateral, both in-space and out of home, websites, etc.)
– Developing and streamlining all brand assets for internal communications (ex: templated and custom presentations, newsletters, reports etc.)

…and more
Key priorities:
– Works closely with art director/copywriter to lead design execution and creation of marketing collateral
– Collaborates with the Marketing/Content in executing the creative needs, designing for both print and digital media

Start: ASAP
Location: Meatpacking, NYC

Salary: Competitive

Our key requirements:
– positive energy, great professional & personal attitude and collaborative spirit.
– creativity, passion for branding and attention to details
– on time execution.

Skill/Attributes Required

Adobe Creative Suite
MS Office / PowerPoint
