Red bull Illume 2023

The Red Bull Illume is a photography contest that celebrates the fusion of extreme sports and photography. In its seventh edition, it involved 50 specialized judges who selected 50 finalists, including 10 category winners and one overall winner.

Wright used a Leica SL2 with an APO-Vario-Elmarit-SL 90-280mm f/2.8-4 lens to capture the winning image, inspired while driving towards a cliff in Australia. She illuminated a fissure in the rock to enable the athlete to engage in traditional climbing, a characteristic aspect of Traditional climbing.
