

SampsonMay

Design Internship

Internship

London United Kingdom

<https://www.sampsonmay.com/>

We're looking for an innovative, digital savvy design, web design and animations interns. The work we aim to deliver is bold, ambitious and different. The primary role for an intern is to explore. This is the one creative position free from other responsibilities that comes with longer tenure or seniority!

Role Details

We are looking for 3 types of interns to come and explore in our business! Design, Web and Animation designers .

The design interns should see this as an opportunity to learn and grow through collaboration and exposure to others within the business. The ideal candidate is someone who wants to develop a career within an established communications agency and help to shape the future success of our business.

We are a leading creative business communications agency, delivering expert strategic thinking and superb creativity for clients of all shapes and sizes, from FTSE 100 to challenger brands. You will be involved in projects from the initial thinking stage to product launch, assisting the digital/print teams with a range of tasks from conceptual development and information architecture to wire framing and high fidelity visuals.

To apply please send your CV, portfolio and covering letter stating why you think you are the right person for this

internship.

Why join us?

We offer a culture that fosters creativity and free-thinking so if you are looking to develop your career and want to help shape our agency then we'd like to hear from you.

Skill/Attributes Required

Requirements/ Outcomes

- Have amazing design skills across print and digital. Motion, animation, 3D, film/editing skills a huge plus
- Experiment and contribute to design solutions for a number of different clients
- You will be considered an integral part of the team
- We expect you to contribute to all work, engage in projects and treat this as a real job
- You will learn from some of the most brilliant minds within SampsonMay
- You'll end the internship with real-world experience working with current and prospective clients
- You'll learn about brands and working in an innovative agency
