Save 37% on These Sony Noise-Canceling Earbuds

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Recent studies indicate the average American spends more than 20 hours per week listening to music. When you factor in the rise of podcasts, that's a lot of audio consumption, so it's crucial to have the right technology.

Get more from those experiences by snagging Sony noise-canceling wireless earbuds at nearly 40 percent off for a limited time. Normally sold for $119, this durable and powerful pair is currently available at only $74.99.

Featuring Bluetooth functionality, these earbuds enable you to

alter between audio from multiple devices with ease. Select from noise-canceling or ambient sound modes based on your environment, and enjoy a high-quality streaming experience through DSEE technology.

Power up quickly with this device, gaining an hour of playback ability after just a ten-minute charge. When fully charged, these earbuds will last up to 15 hours of uninterrupted use.

Equipped with easy button operation and storable in pockets, this purchase is primed to enhance your audio experience, from favorite bands to detailed discussions. Plus, the hybrid silicone earbud tips fit comfortably without jostling from movement or wiggling free over time.

Carrying an IPX4 water resistance rating, these earbuds are appropriate for outdoor and gym use without worry. Hands-free call technology also allows you to navigate phone conversations while on the move.

This is a new, open-box item, meaning it likely came via excess inventory from a store, so this is a discount worth exploring while it lasts. The purchase comes complete with a black charging case and a USB cable.

Step up your audio experience without spending big bucks by purchasing these Sony noise-canceling wireless earbuds for only $74.99 (reg. $119).
