Save $60 on This Travel VPN Router Now

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

TL;DR: Keep your personal and business data secure while traveling with the Deeper Connect Air Portable VPN Travel Router, now $60 off when you use promo code CONNECT.

Every entrepreneur has a host of important data that they don't want falling into the wrong hands. When you connect to public Wi-Fi, you put that data at least a little at risk. So, when you're traveling and connecting to Wi-Fi at the airport, on the plane, and at the hotel, it's important to give yourself the protection you need. With the Deeper Connect Air Portable VPN Travel Router, you'll be covered, and you can get it on sale during our version of Prime Day.

This plug-and-play security solution is fully loaded with a Decentralized VPN (DPN), ad blocker, and cybersecurity features to keep your device and data safe without any subscription fees. When you plug it in, you'll connect to a decentralized, military-grade encrypted network that lets you access your work files and bypass geographic restrictions no matter where you are in the world.

The travel router can connect to more than 80,000 nodes worldwide, allowing you to reach speeds of up to 300Mbps when connected to a powerful enough network. The intelligent

software switches nodes automatically according to your internet usage to optimize speeds and always blocks ads—even YouTube ones. It’s also set up to support more than 80 Web3 features.

Whether you’re a remote worker getting online at a coffee shop or traveling abroad and need safe internet access, this travel router has you covered.

Enjoy a better, safer internet experience while traveling or working remotely.

For a limited time only, you can get the Deeper Connect Air Portable VPN Travel Router for $159 (reg. $219) when you use the promo code CONNECT.

StackSocial prices subject to change.
