

# Save an Extra 20% on This AI-Powered Video Editing Tool

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Artificial intelligence is being used in a remarkable variety of ways to produce unique media that can propel aspiring professionals to new heights. Take a closer look at what you can accomplish in video production efforts by exploring an AI-based app primed to create professional-looking results.

Through March 10 at 11:59 p.m. Pacific, a lifetime subscription to Winxvideo AI is available for only \$23.99 (reg. \$69) on one device or \$31.99 (\$119) on five devices with code ENJOY20. Time is ticking, so don't delay.

This production toolkit is equipped with AI-based workflow and features that include large file compression and conversion capabilities, HD quality upgrades, and screen recordings. Use Winxvideo to stabilize shaky video and count on CineAI technology to deliver a polished-looking end result.

An all-in-one editing platform includes options to crop, cut, merge, trim video, add subtitles, or create GIFs. Future software updates are included with this discounted Winxvideo AI subscription, which carries a rating of 4.6 out of five from G2.

Noise reduction, audio enhancement, and speed control are other assets within this program.

Give your video production a professional look with assistance from artificial intelligence with one of the following lifetime subscriptions on sale at an extra 20% savings with coupon code ENJOY20 through March 10 at 11:59 p.m. Pacific:
