

Save an Extra 20% on This Drone and Take Your Team's Content Sky-High

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

For many modern businesses, video content is your most effective and reliable resource for connecting to your user base via social media. Keeping up with the relentless, never-ending nature of the social media cycle and the impossible standards set by big-budget video productions, finding ways to elevate your content can be tough. That's why it's worth pointing out helpful deals like this one.

Through March 10 at 11:59 p.m. PT only, this Ninja Dragons

Blade X 4K Dual-Camera Drone is on sale – with an extra 20% savings when you use coupon code ENJOY20 – for just \$71.99 (reg. \$199). The Ninja Dragons Blade 4X is ideal for marketers and content creators who are looking for an effective solution for producing eye-catching media.

The one-click take-off and landing capabilities of the drone make it user-friendly. It's made to be an easy starter drone for your company if you're just getting into it. It comes with optimized waypoint flight control which operates to provide a 360° flight angle view for you while you're operating.

The main 4K camera collects stunning, in-depth images that can compete with the most high-budget social content. Plus, its electronic stabilization system keeps your images level and professional-looking, which is a major benefit.

Through March 10 at 11:59 p.m. PT only, you can get this Ninja Dragons Blade X 4K Dual-Camera Drone on sale with an extra 20% savings when you use code ENJOY20 – a final cost of just \$71.99 (reg. \$199).
