

Save More Than 50% off the Price of Two Powerful 6-in-1 Charging Cables

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

According to recent studies, the average American spends more than four hours on their phone daily. Considering it all relies upon keeping those devices charged, it's best to plan ahead to avoid potential frustrations.

Gain a long-term solution for less money by capitalizing on a current deal for the InCharge X Max 6-in-1 Charging Cable. Typically sold for \$78, this two-pack only costs \$34.97 with no coupon required through this week.

InCharge is primed to simplify your array of charging needs, featuring the following connections: USB to Lightning, USB to USB-C, USB to micro-USB, USB-C to USB-C, USB-C to Lightning, and USB-C to micro-USB. Leave behind the tangled mess of cords and accomplish what you need by using this single five-foot cable.

InCharge is compatible with Android products, iPhones, iPads, and a variety of other tablets, phones, and personal devices. This reliable cable is built to withstand consistent use and produces 100W with 200 braided copper wires – all while weighing only an ounce. It's a smart addition to any travel bag or office setting.

The most recent feedback on our store from verified buyers features a five-star review that reads, "It does everything on one cable. Phones are going to USB-C, but most hotels and airports and airplanes have old USB outputs. This cable does them all. It's sturdy and should last a long time."

Avoid battery issues for your most important devices by taking advantage of this limited-time discount on a two-pack of InCharge X Max 6-in-1 Charging Cable for only \$34.97 (reg. \$78) this week only.
