Save More Than 70 Percent on This iPad Pro

Disclosure: Our goal is to feature products and services that we think you'll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Business professionals, leaders, and entrepreneurs can all benefit from the portability and versatility of a high-end tablet. Those who are wise with their spending and budgets can secure a refurbished tablet with wonderful performance capabilities, often for a significantly lower price than newer models. Take this limited-time deal as an example.

You can get this refurbished Apple iPad Pro 9.7″ on sale for just $170.99 (reg. $599). Its sizable 9.7″ Retina display provides a clear and crisp space to review your emails on a daily basis, as well as any other important work-related materials. Unlike a computer, you can comfortably review anything you need on the iPad on the train to work, while on the go, or while standing in front of a crowded room giving a presentation.

This iPad Pro comes with a strong 10 hours of battery life per full charge, which also proves ultra-valuable to business professionals, especially those who commute and travel on a regular basis. Its processing power is something to marvel at as well, running on the Apple A9X, it promises speedy and reliable performance for a time to come.

This 2016 model comes with a grade "B" refurbished rating,

which means that it might have some light scratching or scuffing on the outside, but otherwise should run well. It’s promised to have a screen clear of any scratches, a clean and operational trackpad, and a minimum of 70 percent battery health. One recent five-star review reads, “Great iPad, just like new!!”

For a limited time only, you can get this refurbished Apple iPad Pro 9.7″ bundle with a black case and tempered glass protector on sale for just $170.99 (reg. $599).

StackSocial prices subject to change.
