12-14 August 2021
Sydney

After a brief hiatus in 2020 due to globally unforeseeable circumstances, Semi Permanent returns to its Sydney home for another year!

Hosted at delightfully tangible venue Carriageworks, immerse yourself in this leading festival of Business, Design and Creativity. After a year-long dive into research and consultation, look forward to an event that inverts the passive experience of your typical exhibition. With this years theme ‘BRIDGES’ – Semi Permanent has curated an event that places a much needed emphasis on interaction, engagement and the dichotomy of the public displays and private workings of the creative industries. Check it out if you want to be a part of the conversation, and delve deep into a multitude of perspectives and brilliant ideas.

12-14 August 2021 at Carriageworks: 245 Wilson St, Eveleigh NSW 2015 and surrounds
