‘SEO Snippets’ – new Google video series to help webmasters & SEOs

Google has announced a video help series aimed at helping webmasters and SEOs with short answers to their webmaster and SEO questions. Webmaster Trends Analyst John Mueller introduced the series, saying they hope to cover topics including “404 errors, how and when crawling works, a site’s URL structure [and] duplicate content.”

The series available on YouTube and has already six videos. Here are those videos:
