Silo’s new season 2 trailer teases what’s next for Juliette

The show, based on a series of books by Hugh Howey, is about a community of 10,000 people living in an underground silo that’s intended to protect them from dangerous conditions aboveground. If you’ve been meaning to see the first season and haven’t yet, you probably shouldn’t watch this new trailer; as you might have guessed, it has quite a few mysteries that are fun to experience for yourself.
