Supergreat

Design Intern / Internship / Paid
NEW YORK New York US

https://supergreat.com/

We are seeking a passionate and skilled part-time intern to support Supergreat’s daily design needs. In this role, you will gain hands-on experience designing in multiple disciplines, including editorial design, collage design, illustration, and designing for social media.

Role Details

Supergreat is a beauty community where everyone’s an expert on the products that work for them; a platform that makes it fun for beauty enthusiasts to discuss and create video reviews, share their beauty routines, and discover new products from people they relate to. You can find Supergreat in the App Store or on the web at https://supergreat.com/

This role would be responsible for creating digital graphics for our daily editorial, marketing, and social media needs. They will also be expected to maintain the overall brand aesthetic under the direction of our Senior Designer.

The commitment for this internship would be 20-24 hours a week with a $20.00/hour compensation. The role will be remote.

Skill/Attributes Required

– Proficiency in Photoshop, Illustrator, and InDesign
– Confident understanding of graphic design, with a strong sense of composition and color
– Sharp attention to detail, organized, and comfortable working remotely
– Self motivated and eager to learn; capable of working in a fast-paced environment from concept to completion

– A compelling visual design portfolio

–
Additional Skills:
– At least 1 year of Graphic Design related experience is preferred
– Illustration skills is a plus but not required
