Superhero Vector Illustrations for Premium Members

Access All Areas members have a great collection of vector illustrations to download this week, courtesy of Martin Malchev. These 7 superhero graphics feature powerful characters in a bold comic book style, featuring a variety of poses and backgrounds. Supplied in AI, EPS and CorelDraw file formats, these graphics can be scaled to any size. You could even break apart the vector paths to customise the colours and backgrounds.

Martin Malchev is a creative microstock illustrator who supplies a wide range of clip-art and video resources on his website. All images are available for immediate download with a choice of two licenses: One-Time Use, or a Extended License that allows you to re-sell the image as part of another product, such as in a calendar, greeting card or wall print.
