SWALLOW LONDON LTD

Graphic Designer/Web Designer / Internship / Paid
London UK

http://www.swallowlondon.com

Hi all,
We are a start-up producing a new 5% ABV vodka cocktail in a 250ml bottle called Swallow. 100% natural, 60% fruit juices, low in calories.
We are seeking a young and talented “all rounded” graphic & web designer
On an internship basis, this job will be paid at the minimum national wage.

Role Details

We are seeking a young and talented “all rounded” graphic & web designer to bring our brand to life by creating a brand identity around our logo and put everything we’ve got together on our website and presentation to start with. There will be more work to be done in the near future but this is our main focus for now.

This is not a huge job so it’s ideal for a junior designer who wants to showcase his talent and knowledge with a good database of logo, visuals and ideas to work with.
A great opportunity to add to a portfolio a professional experience with a product going to market.

Skill/Attributes Required

Graphic design
Brand identity
Web design
Typography a plus
Social media management

Candidates MUST have interest in Food & Drink, art, current affairs and trends, fashion and music.

Apply/Respond by:
30/04/2019

Send:

Please send us your portfolio of work and case studies and as well as a short letter explaining why you would be the ideal candidate for the job.
