

(SYD) AGDA's The Gravity of Ideas with Rob Duncan, Mucho

Another great addition to AGDA's International Speaker Tour. Check it out!

Ideas are at the forefront of everything Mucho designs. Rob Duncan, Creative Director and Partner of international design agency Mucho, joins AGDA for an international speaker tour and will look at how ideas depend on where you live.

Having lived and worked in the UK, the US, and with Mucho's offices around the world, Rob will be discussing how ideas don't always travel. Even within English speaking countries

such as the UK, US, and Australia, ideas need to be tailored and nuanced to appeal to different cultures, languages, and social differences.
