The 5:30 A.M. Warrior Call: Will the Premier League Return Soon? (5/15/2020)

Joe De Sena and his team track the global effects of coronavirus.

May 15, 2020 1 min read

Opinions expressed by *Entrepreneur* contributors are their own.

Every morning, Joe De Sena, CEO and founder of Spartan, connects with his worldwide network of leaders and experts to get first-person accounts of the ongoing coronavirus pandemic. These calls are happening in real time, and *Entrepreneur* has not independently verified the speakers' reports.

Today, the team breaks down the importance of staying inside to help doctors and nurses as much as possible, the benefits of a plant-based diet and how the United Kingdom is slowly opening up.
