The best Cyber Monday deals

The Monday after a long holiday weekend is no fun, unless you like to save money. If you missed out on all the great Black Friday deals, Cyber Monday offers one more chance to save some serious cash before the holidays.

You can still, for example, score significant discounts on a number of popular gifts, ranging from Bose's QuietComfort Ultra Headphones and Amazon's Echo Pop to the Sonos Roam and Kindle Paperwhite. There are also a number of deals on other kinds of gadgets, including phones, smartwatches, headphones, chargers, toys, and all sorts of accessories. And not all the deals are Black Friday leftovers, either; other gadgets are even cheaper now, like the second-gen Apple Pencil, Yeedi Vac 2 Pro, and .

Just as we did during Black Friday, we've highlighted all the best Cyber Monday deals here to make sorting through them easier. In case you're on a budget, we've also published guides to the best deals under $100, under $50, and under $25. And if you're looking for something specific, we also have guides focused on everything from streaming and Apple devices to headphones.

Now, let's dig into the deals.

Feeling a little overwhelmed on what deals to pounce on? Need some tech buying advice? Our Verge Deals *team is here for your retail therapy, and we'll be answering your burning shopping questions for Cyber Monday live on November 27th (today) at 11AM ET. Leave a question here.*
