

The best Cyber Monday robot vacuum deals you can get from iRobot, Roborock, and more

Robot vacuums are on sale *all the time*. But this holiday shopping weekend, there have been some fairly significant price drops, which are rolling over from Black Friday into Cyber Monday. These include rarely reduced flagship models like Roborock's S8 MaxV Ultra and iRobot's Combo 10 Max. If you've been holding out on trying the latest and greatest, now is a good time to dive in.

Deep discounts are also available on some of our favorite midrange and budget bots from Shark and Eufy, and iRobot is slashing prices on its entire line. Read on for our rundown on the best deals on robotic floor cleaners this holiday shopping weekend.

Update, December 1st: Adjusted to reflect current pricing/availability for Cyber Monday and added new deals, including the Roborock Q8 Max Plus.
