The best early Cyber Monday deals on smart home gear

If you missed out on grabbing a bargain on smart home gear this Black Friday, Cyber Monday is hot on its heels to save you. There are still plenty of deep discounts to be found on smart speakers and smart displays, as well as robot vacuums that you can control with a command to that smart speaker and video doorbells whose live feed you can see through one of those smart displays.

There are also some excellent bargains on smart door locks, smart lights, and smart plugs, including some of the first discounts we're seeing on Matter-compatible devices. So read on for my pick of the bargains on the best smart home gear out there.
