The Creative Method: Junior Designer / Intern

Junior Designer / Intern / Full Time / Paid
Sydney NSW AU

http://www.thecreativemethod.com

We are a boutique award winning design studio in Surry Hills that specializes in food and drink innovation and branding. We need a passionate freak who loves ideas, design, getting their hands dirty and having a good laugh. You will need to love packaging, especially wine beer and spirits.

Role Details

The position is for full time junior designer or intern. The expectation is that the successful applicant will be hands on and involved in many aspects of the design process. This will include research, mood boards ideation, illustration, design, creation and finished art.

Skill/Attributes Required

Hard work and passion is a prerequisite. Having a good understanding of the core Adobe sweet of Illustrator, Photoshop and Indesign is also an advantage. Illustration skills would be an advantage but not mandatory.
