Role Details

About The MPSHIFT :
We are a New York-based concept, design & branding studio working primarily on hospitality and lifestyle spaces & brands.

Graphic Design Intern
The duration of the internship is a full-time 3 months and you will be compensated $500/mo. If all goes well, we'll bring you on as a full-time staff member on salary.

Start date: Immediate
Time commitment: Full time, 40hr/week

Benefits:
* Opportunity to have a pivotal role in multiple creative branding projects: iteration to production
* Introduction to the design & hospitality world through interactions with renowned chefs and restauranteurs, and a global clientele
* Feedback and advice from experienced designers through a monthly review process
* A creative environment that fosters growth and

resourcefulness
* Gain project management experience through working directly with clients
* Build networking, organization, and communications skills for the design and hospitality industry
* Opportunity to get a hands-on perspective on every step of the design process and the industry
* Working in a bustling co-working space in the heart of Tribeca
* Collaborative environment, where you are asked to participate at all levels
* Monthly lunch & learn off-site trips to museums and maker studios
Responsibilities:
* Develop brand identities: concept to production
* Design logo marks, type lockups and branding collateral
* Collect images and prepare mood boards
* Create weekly Instagram themes and posts
* Design client presentation materials

Skill/Attributes Required

* Advanced layout, color and typography knowledge & experience
* Fluency in Adobe Illustrator, In-Design, and Photoshop
* Experience in logo creation
* Eager to learn
* Highly organized and great time management
