The Perfect Fonts for Your Next Project. Get Them All for $29!

Every designer needs a variety of typeface styles that they can rely upon for every project. Usually a collection is built slowly as new fonts are purchased on an individual basis, but on rare occasions an opportunity to acquire a comprehensive library of top quality font families with huge savings arises. The Crafty, Creative Font Collection contains 16 beautiful typefaces, each one featuring an endless selection of styles and weights to suit any design scenario. With a huge 90% discount slashing the price tag, this font library can be yours for just $29.

With a huge variety of styles to choose from, The Crafty, Creative Font Collection has all of your font needs covered. These are the kind of fonts you can rely upon for even the

biggest of client projects. Each one has been expertly crafted by type designers and foundries with a serious passion for typography, which is clear from the sheer number of weights and styles some of these typefaces come bundled with.
