This Bundle Is a Dream Come True for Vintage Design Lovers

If you’re a fan of the vintage art style you’ll love exploring the wealth of quality design resources in this new Vintage Design Emporium bundle! This hand-picked vintage collection brings you a variety of high-quality vintage ephemera, including beautifully restored illustrations, detailed fonts, high-quality textures and so much more! It’s a true treasure trove for any vintage design lover. These tools regularly sell for $1768, but they’re now available for just $29 for a very limited time. That’s a 98% discount!

When vintage style designs rely so much on third party assets, it’s important to consider the licensing terms. Thankfully you’re completely covered with an extended license for every single item in this collection that allows you to use any of the resources in your commercial and client work, as well as artwork for sale, such as merchandise, posters, or prints.
