This Set of Chef’s Knives Is Nearly $300 Off

Disclosure: Our goal is to feature products and services that we think you’ll find interesting and useful. If you purchase them, Entrepreneur may get a small share of the revenue from the sale from our commerce partners.

Cooking at home can be great for busy professionals because it’s budget-friendly, easier to stay healthy, and meditative. Whether you’re a home cook or an entrepreneur on the hunt for a unique gift that could stand out to a colleague, potential business partner, or friend, this limited-time deal is well worth checking out.

This Seido Japanese Master Chef’s 8-Piece Knife Set comes with a gift box and is on sale for $109.97 (reg. $429). These high-quality knives are made with very durable and strong high-carbon stainless steel. Their forged construction incorporates a sloped bolster and acute 15° angles (compared to the typical 25° seen more commonly with Western knives).
