

Today's deals include the Apple HomePod, Microsoft Surface Go, and Samsung Galaxy phones

This story is part of a group of stories called

Only the best deals on Verge-approved gadgets get the Good Deals stamp of approval, so if you're looking for a deal on your next gadget or gift from major retailers like Amazon, Walmart, Best Buy, Target, and more, this is the place to be.

Apple's HomePod is on sale for \$189.88 at Other World Computing, down from its list price of \$299. This is the lowest price we've ever seen it. These HomePods are in new condition and they're available in white. For a little extra, you can purchase it in space gray for \$194.88.

If you prepay for two months of Sling TV (that's \$60 total), you can get a free Fire TV Stick (priced at \$39.99). However, this deal is only available for new subscribers. Target has also discounted the Fitbit Versa smartwatch by \$50, down to \$119.95.

Several configurations in the Samsung Galaxy S10 and Note 10 series are on sale from multiple retailers. Microsoft and B&H Photo are selling the Galaxy S10 (128GB) for \$649.99, originally listed at \$899.99. The Galaxy S10 Plus (128GB) is \$300 off also at the Microsoft Store, bringing the price down to \$699.99.
