

Trump signs executive order to reverse Biden's electric vehicle policies

Immediate Review of All Agency Actions that Potentially Burden the Development of Domestic Energy Resources. (a) The heads of all agencies shall review all existing regulations, orders, guidance documents, policies, settlements, consent orders, and any other agency actions (collectively, agency actions) to identify those agency actions that impose an undue burden on the identification, development, or use of domestic energy resources – with particular attention to oil, natural gas, coal, hydropower, biofuels, critical mineral, and nuclear energy resources – or that are otherwise inconsistent with the policy set forth in section 2 of this order, including restrictions on consumer choice of vehicles and appliances.
